Planned for Fiftieth Anniversary.

Dr. Martin G. Brumbaugh, Superintendent of Schools of Philadelphia, has suggested a plan for the celebration of the anniversary of the battle of the Battle of Gettysburg, in July, 1863, at Gettysburg. The plan has not yet been adopted, but it is expected to receive general approval from the state and territories of the United States to draw up plans for the celebration.

Pennsylvania is in direct charge of the arrangements, and a meeting of the delegates of this state will be called at the Hotel Atlantic, Atlantic City, on April 25, to consider the plan suggested by Dr. Brumbaugh will be discussed. General Louis Wagner is chairman of the committee.

Dr. Brumbaugh's plan to make the first day of the celebration the Day of Fidelity and Goodwill. All the men living in the state, and the boys in the garrisons of the state in which they now live and will be transferred. The American Legion, the Veterans and the Society of Confederate Veterans, and other veterans who fought in the Civil War will be invited.

The men will be in Army and Navy, when there will be great parades of both branches of the fighting forces. The second day will be the Day of the States, and the boys of each state will take part in the exercises. On the fourth of July, the last day of the celebration, the Day of the Nation to commemorate national peace on the crowning achievement of the nation's independence, and to dedicate at least to lay the corner stone of a permanent peace memorial to the Union, the President, Lincoln and the cause of all the states and territories as well as that of the United States, as a national pledge.

The arrangements will be known as the Lincoln State Memorial.

The services will be attended by all the national and state officers and by every one from all the nations of the world.

An appropriation to provide for the proper share of Pennsylvania in the celebration of the fiftieth anniversary of the battle of Gettysburg will in all probability be made by the present Legislature.

A bill has been introduced for submission to the Legislature, which can be determined how much the state of the state will permit and whether the bill will be introduced and made in a form at the present session or divided between this Legislature and that of 1912.

The contributions would like to have \$10,000 for the state's part in the celebration as soon as the Pennsylvania Commission on the fiftieth anniversary of the work of preparation. The national government's part of the celebration will be made by a contribution of which General Oliver and Congressmen Lafson are members.

THREE IMPORTS

Two strange men came to town to become a number of the members of the College Lutheran church on Sunday by request of the pastor. They were both of Lutheran churches in other places. They would alone separate, and then they would go together, and then they may need money to get a room to sleep over night. All of the members of the church were shocked and the men failed to get anything worth while. They had only heard of the Lutheran church in the interior of Gettysburg College.

After discussing the matter and learning from Mrs. Richard of the church that the men were from the West and that the Lutheran church of other towns had been together, the two men decided to go together to the College and to form a church. That a church should be formed.

These officers were elected: president, Mrs. Leslie M. Klemann; vice-president, Mrs. Charles W. Hinsdale; Mrs. F. L. Bergström; Mrs. O. C. Roth; Mrs. A. C. Thompson; Mrs. C. E. Thompson; Mrs. A. G. Baumert; Mrs. H. G. Gifford.

Miss Rita Hatten was elected treasurer; Mrs. F. L. Bergström, corresponding secretary; and Mrs. Charles Ogle treasurer.

QUILTING PARTY

A very enjoyable quilting party was held at the home of Mrs. W. H. Williams on last Sunday this party will be supplied as the recently elected pastor, Rev. George G. McLean, desires. This will begin his active pastorate the first Sunday in March. The congregation will be invited to the church of Oxford, leaving service by the students of the Gettysburg Academy this time the resignation of Rev. George McLean.

COAL STEALING AGAIN APPEARS

Mount Tres Tres Taken in One Night from Car on Round Top, Stealing Home Parents for Sending Children to Connect Theft.

The coal stealing was so prevalent several years ago, and which had almost entirely disappeared last year, that the coal miners of the coal fields have made the past few nights the cars on the round top, the coal was taken.

One night this week operations were carried on so extensively that when morning came it was found that the coal had been taken.

It was thought that the operators could afford to pay and attention to the cars are now being paid to the coal.

It was thought that parents were now sending their children to the coal as they were warned in open court that any failure to conform to the law would result in punishment.

Efforts are being made to apprehend the guilty parties.

It was thought that parents are now sending their children to the coal as they were warned in open court that any failure to conform to the law would result in punishment.

The children play about the vicinity of the cars and, when they believe they are safe, make way with some of the coal.

Special efforts are being put forth by representatives of the Western Maryland to catch the offenders.
